

9th Annual

Southeast New York Stormwater Conference & Trade Show

Vendor Registration Form

On October 14, 2009 the 9th Annual Southeast NY Stormwater Conference and Trade Show will once again be a leading informational opportunity on stormwater management techniques and regulatory updates for local decision makers and stormwater design specialists. Held in the Lower Hudson Valley, this conference is centrally located in one of the most rapidly developing areas of the State. The 2009 Conference will be held at the beautiful Dutchess Manor, overlooking the Hudson River in Beacon, New York.

Last year the conference welcomed over 200 attendees and 21 vendors from all around the Hudson Valley, NYC and Long Island. In order to better accommodate our vendors, based on concerns that were voiced to us with regards to spacing issues, we have made a number of changes to the vendor area layout to improve exposure and networking opportunities. These changes will allow us to expand on our trade show and will offer all vendors high visibility and ample networking time throughout the day. Vending space will be on a first come basis and may still be limited. Displays may be set up after 7am on October 14th, and we ask that they remain up through the afternoon break. All displays must be taken down by 5pm.

The cost for vendor registration is \$300.00 per booth and includes:

- ♦ Registration for two (2) to all conference venues, including materials, lunch and breaks.
- ♦ One covered 8-foot table with chairs
 - *Electrical outlet available upon request
- ♦ Mailing list of all conference attendees
- ♦ Company/product description in conference proceedings

If you would like to reserve a vending booth, please send the completed registration form and a check made out to Orange Co. SWCD to:

Attn: LHCCD
2715 Route 44, Suite 3
Millbrook, NY 12545

Registration forms may be sent by fax to (845) 677-8354 or email to jennifer.lusk@ny.usda.gov
Credit card payments will also be accepted through www.paypal.com . Click the "send money" tab and
